CONFIDENTIAL

25X1 9. [redacted] INTELLIGENCE BRIEFING Alan Romberg, in the office of Representative David Obey (D., Wis.), called to request a briefing on the situation in the Middle East for Mr. Obey and Representatives J. Edward Roush (D., Ind.), Joseph Early (D., Mass.), and Edward Koch (D., N.Y.), members of the Subcommittee on Foreign Operations, House Appropriations Committee. This would be a briefing similar to that which Messrs. [redacted] 25X1A NIO/ME, [redacted] 25X1A OCI, and [redacted] 25X1A OSR, had provided to the Special Subcommittee on Investigations, House International Relations Committee, on 21 October. I stressed we would prefer, primarily in the interest of conserving our resources, to handle such matters through Committee structure and since this briefing would be relevant to the Foreign Operations Subcommittee of House Appropriations Committee's consideration of the Foreign Aid bill I presumed, I suggested that it be laid on through Chairman Otto Passman (D., La.). Romberg said they would like to have the briefing this Wednesday at 0900 (later he called to say Thursday at 0900) and not after that which he feared would be the case if it was done through the Subcommittee. I told Romberg that compartmented information is involved and for that reason, under current guidelines, personal staff members could not attend, explaining in detail the reasons therefore, and he reluctantly agreed that this should be the course because they did not want to degrade the briefing to a level to permit the attendance of personal staff members.

25X1 10. [redacted] INTELLIGENCE BRIEFING Stuart Statler, Minority Chief Counsel, Permanent Subcommittee on Investigations, Senate Government Operations Committee, called saying that Senator Charles Percy (R., Ill.) had asked him to obtain information from the Agency on heroin trafficking in and through Mexico explaining that the Senator intends to delve deeply into this subject and to see the Attorney General and the Secretary of State on it soon.

25X1A

25X1 11. [redacted] LIAISON Accompanied [redacted] 25X1A C/EA, to a session with Representative Paul Rogers (D., Fla.) to review a death case. Mr. Rogers will be looking to a letter from the Department of Justice to close out this case with the decedent's mother, who is a constituent of his. [redacted] assured Mr. Rogers that we had no evidence that the death was in retaliation for the decedent's affiliation with the Agency.
